

Irrigation Technician

CAREER PATHWAY CERTIFICATE

Pending State Approval

The Irrigation Technician program provides instruction for design, installation, repair, upgrade, maintenance, monitoring and programming of irrigation systems for landscapes, nurseries, golf courses, parks or agriculture. This pathway certificate is associated with the Horticulture Certificate and AAS degree programs.

PROGRAM OUTCOMES

Successful completion of this program should provide students with the necessary skills to design, install, maintain, troubleshoot, repair and program irrigation systems.

CAREERS

Career opportunities may include working as an Irrigation Technician in nurseries, greenhouses, parks, golf courses, landscapes or production agriculture.

For information contact Elizabeth Howley, horticulture advisor, ext. 2389 or ehowley@clackamas.edu
