SAT/ACT to Placement Score Conversion Chart

If you have taken the ACT or SAT and your scores meet the requirements listed on the chart below, you may not need to take the COMPASS placement test to determine your placement levels in Reading and Writing and/or Math.

If your ACT or SAT scores do meet the requirements for placement into any or all of the subjects (Reading and Writing and/or Math), bring a copy of your scores into a CCC Testing Center so the information can be added to your student record. (Depending on your scores, you may meet the requirements to be placed into one subject but still need to take the placement test for another.)

Please contact the CCC Testing Center (Oregon City Campus) at (503) 594-3283 or testing@clackamas.edu if you have questions.
