Daily 8am-4:30pm Computer Tutorial/Microsoft Office Suite Tutorial

WHAT YOU WILL LEARN IN THE WORKSHOPS...

Finding Your Next Job – provides various strategies to effectively search for jobs and learn about the “hidden” job market..

Effective Applications – covers how to successfully fill out job applications so that employers will notice them, including gaps in work history, background issues, and unrelated work history.

Switching Occupations – covers Career Information System’s Skills Assessment, researching a new career field; introduces online resources, including OLMIS, O*Net and CIS. *This workshop requires basic computer skills.*

Resume 1/Cover Letters – covers basic elements of targeted resume; development of personal work history; recognizing your skills; principles of effectively marketing your skills to employers and the basics of cover letter.

Resume 2 – applies information from Resume 1 to produce targeted resume based on actual job ad; hands on; pre-requisite Resume 1. *This workshop requires basic computer skills. MUST ATTEND RESUME 1 FIRST!*

Interviewing 1– covers basics of preparing for interview including: researching the company, materials to take, how to dress, preparing for questions, questions to ask, references, thank you notes.

Interviewing 2– participates will practice answering interview questions; feedback will be given to allow for improvement. *MUST ATTEND INTERVIEWING 1 FIRST!*

Job Search Networking

– Different emphasis each week to learn/practice strategies to improve job search techniques; agenda is partly determined by participants.

Dealing with Background Issues – How to present convictions, strategies for employment, building networks, increasing self-esteem.

Youth Employment Lab –Open entry, no appointment necessary; for youth 14 to 21. Assistance with job search, job leads, interviewing skills, increasing employability rate. All youth will be screened for extended C-TEC Youth Services.

Job Corps Orientation – A brief overview of the entire Job Corps program; including various Job Corps center locations, different vocational training programs offered and job outlook information for various trades as well as benefits received by students. In addition, eligibility requirements and “how to apply” will be covered and appointments made for anyone interested in applying for the Job Corps program.

Equal opportunity employer/program. Auxiliary aids/services are available upon request to individuals with disabilities.

Empleador /programa que respeta la igualdad de oportunidades. Servicios auxiliares disponibles a pedido para discapacitados.

Программа равноправных возможностей по трудоустройству. По просьбе лиц имеющих инвалидность, предоставляются дополнительные услуги.
